

The Benicia Public Library contributes to the success of our diverse community by being a vital center of learning, communication, culture, and enjoyment.

The Marilyn Citron O'Rourke Art Gallery provides a public space for the display of art works that will stimulate, educate, and promote greater understanding and appreciation for art in our culturally diverse community.

The Art Gallery Advisory Committee welcomes proposals for exhibitions of original artwork by local and regional artists. Individuals, art groups, schools, collectors, and public or private sponsors of art and artists are invited. Work in any media will be considered, including, but not limited to, painting, drawing, sculpture, ceramics, glass, printmaking, photography, video, collage, textiles, and mixed media, subject to available space and schedule. Eight to ten exhibits are presented each year.
